

A MUSICLAPS CONTEST

“REPRODUCE OVER THE WORLD”

Musiclaps will pick an artist for each contest who is not
“a World Famous” yet.

To participate in a contest, a Musiclaps member must
choose one song out of three that Musiclaps provided
and arrange it as tribute, jazz ver., classic, remix, or
whatever type of music you can reproduce it.

Since Musiclaps is a online music collaboration,
2 or more members have to be joined in a collaboration
to participate in a contest.

A member can choose “Start a collaboration” or “Join a
collaboration” to enter to the contest.

A Winner will be chosen by Musiclaps and a picked
artist mainly, and he may have a chance to ensure
to play as an OA for the band, qualify to play for
a music festival, or any prize you may think
of a collaboration with the artist.
